We promise to offer the best advice, help reduce your costs and ship your freight safety.

### ***Guidelines for Pallet Shipments***

- Put the larger, heavier items at the bottom:

- Make sure everything which will be loaded onto the pallet is sensibly packed, even if there's only one item.

- Wrap the pallet well:

- Make sure you wrap the pallet numerous times in different directions.

\* If you are concerned that you don't have time to do it or your items won't be wrapped properly, we are here to do for you without an additional charge a box with plenty of padding.
